## Police abseil raises money for children's charity

PCSO Chris Marchent and PC Dave Newman from Peacehaven Police station took part in a charity abseil on behalf of CLIC SARGENT children with Cancer.

The abseil took place on Saturday 29 September 2007 from Peacehaven Heights, with both officers scaling the 80ft cliff face in full Police uniform!

PC Dave Newman said *"I was nervous standing at the edge of the cliff, but by the time we reached halfway we started to bounce our way down. It was a superb experience and we were lucky with the weather on the day. I would like to thank everyone that donated so generously to a worthy cause."*

The amount raised by the abseil to date is around £400, with further pledges to be collected.

## Teachers and school nurses awarded for teaching skills

**Teachers and school nurses across the county have received awards for their skills in teaching about drugs and alcohol, and sex and relationships.**

National certificates were presented to four primary school teachers, five secondary school teachers and three schools nurses, for completing training in Personal, Social and Health Education (PSHE).

The certificates mark the work these teachers and school nurses have put into developing their skills to improve teaching and learning within the subject - which involves putting together an impressive portfolio outside their normal working hours.

PSHE lessons help young people to develop the attitudes, skills and knowledge, to provide a foundation for their personal and social development. This helps young people to make the best decisions for themselves as they move into adulthood.
