

Rother

Issues:

- Relationships between individuals (trust)
- Information sharing
- Continuity (6 years) and learning
- Local Action Plans (LAPs)
- Plan led
- Target focused
- Rother Seniors & Rother Race Action Forum (RRAF) on LSP

Opportunities:

- Thinking long term
- More strategic views and action planning
- More effective area and regional role in feeding up local issues
- More local data on East Sussex in Figures (ESiF)
- Need better local information “state of environment” and up to date
- More effective challenging role
- Focus on less!
- Communicate how LSPs feed up to Local Area Agreement /Local Development Framework
- Better involvement of members

Actions:

- Focus on key strategic priorities (youth activities/young people Not in Education, Employment or Training (NEETs))
- Review form & function of LSP
- How do other LSPs address environmental and economic issues?
- Communicating outcomes of LSP and achievements
- Re-establish links with Local Development Framework (LDF)
