Annual Conference 2009

Chaired by Matt Dunkley, Director of Children's Services, ESCC

This year our annual gathering of stakeholders and partners in the Children and Young People's Trust will take the form of a free one-day conference, offering our partners in the CYPT the chance to reflect on what has been achieved and look at where we go next in improving outcomes for children, young people and families across East Sussex.

- Hear how the **integrated working trailblazers** have made a difference to people at the front line, and encouraged exciting new partnership initiatives
- Take part in **interactive workshops** featuring input from local projects
- **Network with colleagues** over lunch and use visit **stands and displays** from local services
- Help us **plan for the future of the CYPT** in four key areas

VCS travel expenses

Delegates from Voluntary and Community Sector organisations can reclaim travel expenses following the day. You may also want to check whether your local CVS operates a bursary scheme for training and events.

Morning workshops on:

- Teen health
- Inspiring young people
- Identifying needs early and reaching the most vulnerable
- Supporting the whole family

Afternoon workshops on:

- Getting our message across to families and each other
- Sharing the same tools - everyday integrated practice: what's working well in East Sussex?
- Agreeing our approach to identifying needs early, and coordinating support
- Involving and consulting parents and families
