

Dear Colleague

'Help Us Reach Those Who Can't Reach Us'

The Forum is organising two Seminars with the aim of addressing the health and social care needs of people in Rural Rother by involving people in their own locality.

Northiam Village Hall on Tuesday 27th of July 1.30pm to 4pm

Robertsbridge Village Hall on Thursday 12th of August 10.30am to 1pm

We would like to invite representatives from the statutory, voluntary and community sectors and would appreciate it if you could provide us with details of the services that already exist in the rural Rother area. The Forum would like to share best practice with other rural areas.

The Forum is well established, and members of our Management Committee have seats on the Rother Health Improvement Board, and we have close links with other agencies such as Adult Social Care and representatives on several working groups and forums.

Should you wish to attend, actively participate, or have an information stall at either or both events would you please contact Cheryl at HVA, 31a Priory Street, Hastings, TN34 1EA or tel. 01424 444010 or e-mail cheryl@hvauk.org. (please note Cheryl works part-time)
