<b>Risks/Barriers:</b>	<b>Risk/Barrier</b>	<b>Mitigating Action</b>	
	1. PCT does not feel it has a role to play here and is reorganising services	HBC looking for other partners to lead the work through an ABG bid and will hope to involve the PCT as a partner in delivery	
	2. JCP contractors delivering programmes may find working in Hastings challenging and thus work to meet their targets elsewhere	Build partnership with providers using ABG as necessary to purchase spatially tagged additionality	
	3. Downturn in global economy may affect Hastings disproportionately	<b>Likely that people being made redundant will now go onto JSA because of welfare benefit reform</b>	
<b>Resources:</b>	ABG – see NI 153 Plan
