	<b>1. Schools not signing-up to School Travel Plan (STP) process (93% already signed up).</b>	<b>Continued promotion of STPs to schools via STP Advisers; via STP Newsletter "Steps to Action"; via Healthy Schools Programme.</b>
	<b>2. Lack of funding to carry out Walk to School activities and promotions.</b>	<b>Obtaining funding through local partnerships.</b>
	<b>3. Limited scope for rural schools to develop realistic alternatives to car use for school journeys</b>	<b>Link to Parish Action Plans and "21<sup>st</sup> Century Village" model, to identify school travel improvements in rural localities.</b>
<b>Resources:</b>	<b>Schools can access capital funding from DfT/DCSF to support their Approved STPs, in ways which promote an increase in sustainable journeys to and from school. Transport Strategy &amp; Road Safety Team has some additional funding from the DfT/DCSF STP Adviser bursary with which to promote sustainable travel.</b>

Not all activities will relate specifically to the targets(s) used; where they do they should be identified. All partners will need to provide evidence which shows their activity is being achieved.*
