DRAFT SCS Countywide Action Plan

Summary of potential countywide partnership actions

Economy, jobs and prosperity

1. Encourage partners to adopt sustainable procurement policies
2. Develop a countywide response to the economic downturn and related impacts – housing, health and wellbeing, community safety, worklessness, vulnerable people, homelessness, debt advice, fuel poverty

Transport, access and communication

3. Encourage partners to adopt sustainable travel plans
4. Encourage partners to improve access to information on services, wherever and however residents want it
5. Encourage relevant partners to co-ordinate transport across all sectors

Housing

6. Strengthen the link between policy and practice on housing needs, development and management (including a link with planning)

Environment and climate change

7. Encourage partners to work together to protect and enhance the built environment
8. Raise awareness and engagement in climate change adaptation amongst county, district and borough LSP partners

Education, learning and skills (none - all tasks being delivered through a range of other countywide partnership action plans ...)
